OPINION and ORDER

This litigation is now before the court on the recommendation of the United States Magistrate Judge entered on October 29, 2009 (doc. # 10), that this case be dismissed without prejudice for the plaintiff's abandonment of his claims, his failure to comply with the orders of the court and his failure to properly prosecute this cause of action. After a review of the recommendation, to which no timely objections have been filed, and after an independent review of the entire record, the court believes that the recommendation should be adopted. Accordingly, it is

ORDERED and ADJUDGED that the Recommendation of the Magistrate Judge be and is hereby ADOPTED and that this case be and is hereby DISMISSED without prejudice.

An appropriate judgment will be entered.

Done this the 18th day of November, 2009.
